04 ACCEPTANCE, DIRECTORY PERMISSION AND SIGNATURE

6 Governance and membership commitments

Governance disclosure: the Presidential Council is AF's corporate Board of Directors and the President chairs it. Ordinary membership elections concern committee members and committee chairs, not the President or Council directors. Eligible voting members participate under the Constitution; associate/student participation has no ordinary constitutional vote. Mandatory law and the controlling formation instrument preserve any non-excludable rights. Membership is not technical recognition, accreditation, a professional licence or authority to bind AF.
